Prior to joining King Street, Brian was an asset management associate at AEW Capital Management where he managed a \$1.5 billion portfolio consisting of over 3 million square feet of core retail properties across the US. At AEW, he was responsible for budgeting, asset valuations, debt financing, and financial reporting. Previously he worked as property manager at Carruth Capital LLC, where he helped manage tenant relations, vendor coordination, contracting, and leasing for over 1 million square feet of office and industrial property located across the metro-west submarket of Boston.

He graduated with a BA in Economics from the University of Connecticut with a concentration in real estate finance.
