Courtnae Currie joined King Street Properties in 2018 as an associate, where she manages the development and capital improvement projects in the company portfolio including over \$20M in ongoing tenant improvement projects and the 213,000 square foot of ground-up development at 75 Hayden Avenue.

Prior to King Street, Courtnae worked as an assistant project manager for Redgate where she focused on pre-development planning, permitting, design and construction for varying scales of mixed-use development. In addition to working on over \$30M in tenant improvement projects for hotel, office and institutional projects, she was involved in the Kendall Square Initiative project and was responsible for the project control, construction billing and cash flow projections.

She holds a MS in Engineering Management from Duke University and a BS in Architectural Engineering from Worcester Polytechnic Institute.
