Rob Albro joined King Street Properties in 2016 and is a Managing Director at the firm. Rob has a broad range of responsibilities at King Street, including acquisitions, dispositions, development, and asset management. Rob has been responsible for the redevelopment, leasing, and recapitalization of the Hayden Research Campus in Greater Boston as well the design and permitting of a 213,000 square foot Class A life science building. Rob also leads the firm's efforts in New York City as well as other markets outside of Greater Boston.

Prior to King Street, Rob most recently served as a Senior Vice President at Beacon Capital Partners, with responsibility for acquisitions and dispositions as well as asset management and development. At Beacon, he was involved in over \$2 billion of transactions, completed over 1 million square feet of leasing, and worked with numerous capital and strategic partners. Projects included: the development and sale of 330 Hudson Street in New York, the acquisition of 1633 Broadway and 195 Broadway in New York; and numerous transactions and projects in Boston, including One Financial Center, One Beacon Street, Canal Park, and 177 Huntington Avenue.

He holds a Bachelor of Arts degree with honors in economics from Lehigh University and a Master of Business Administration degree from the Tuck School of Business at Dartmouth. He also is a CFA Charterholder and a Leadership in Energy and Environmental Design (LEED) accredited professional.
